## The Central Valley's Premier Ammonia Refrigeration Training

This year's training courses will include more breakout sessions than any past year, and the break out sessions will be longer in length to allow attendees to participate in hands on activities. Training sessions will include Oil Draining, Screw Compressor Cut Away, PRV Replacement, Factory Representative Presentations, and more!

**English Courses: December 8, 2016 | January 18, 2017 | January 19, 2017**

**Spanish Courses: December 9, 2016 | January 20, 2017**

All training days will begin at 10:00 AM and will conclude at 3:30 PM.

Refreshments and tours will be open at 9:00 AM.
