Central Valley RETA Chapter

The Central Valley RETA Chapter will work through all ten (10) chapters of the RETA Industrial Refrigeration 1 book over the next ten (10) months during our monthly chapter meetings. We will have different professionals and engineers from our industry teaching through each of these chapters. Come join us at our monthly chapter meetings to receive this FREE training. Details regarding the monthly chapter meetings will be posted in the chapters monthly newsletter.

2017 Chapter Meeting Schedule

March - Chapter 1: Refrigeration Fundamentals

April - Chapter 2: The Refrigeration Cycle

May - Chapter 3: Properties of Refrigerants

June - Chapter 4: Saturated Refrigerant Tables

July - Chapter 5: Refrigeration Compressors

August - Chapter 6: O & M of Compressors

September - Chapter 7: Lubrication

October - Chapter 8: Evaporators / Cooling Units

November - Chapter 9: Condensers & HPRs

Chapter 10: Purging
